- Free weights & gyms
- All cardiovascular

“ We are passionate about fitness... making your investment our passion. ”

We specialize in all fitness-related products and have more than 10 years experience in the functionality of fitness machines. Preventive Maintenance Programs can be set up Weekly, Monthly, Semi-Annually, Annually, and Quarterly. Starting at \$125, program costs will depend on the number of units, mileage outside Tri-Cities (if applicable), and labor/parts for non-warranty items.
